Who are we?

We are L&LC, a full-service social media and talent agency specialising in the ever-evolving worlds of TikTok and Instagram.

In the digital age where social media platforms dominate how we connect, communicate, and engage with each other, we understand the power and influence these platforms yield.

We work with brands to build their social presence, enhancing their digital visibility and foster real customer relationships online.

Problem.

Lack of content

TikTok demand

Low budgets

Cue the L&LC UGC Service.

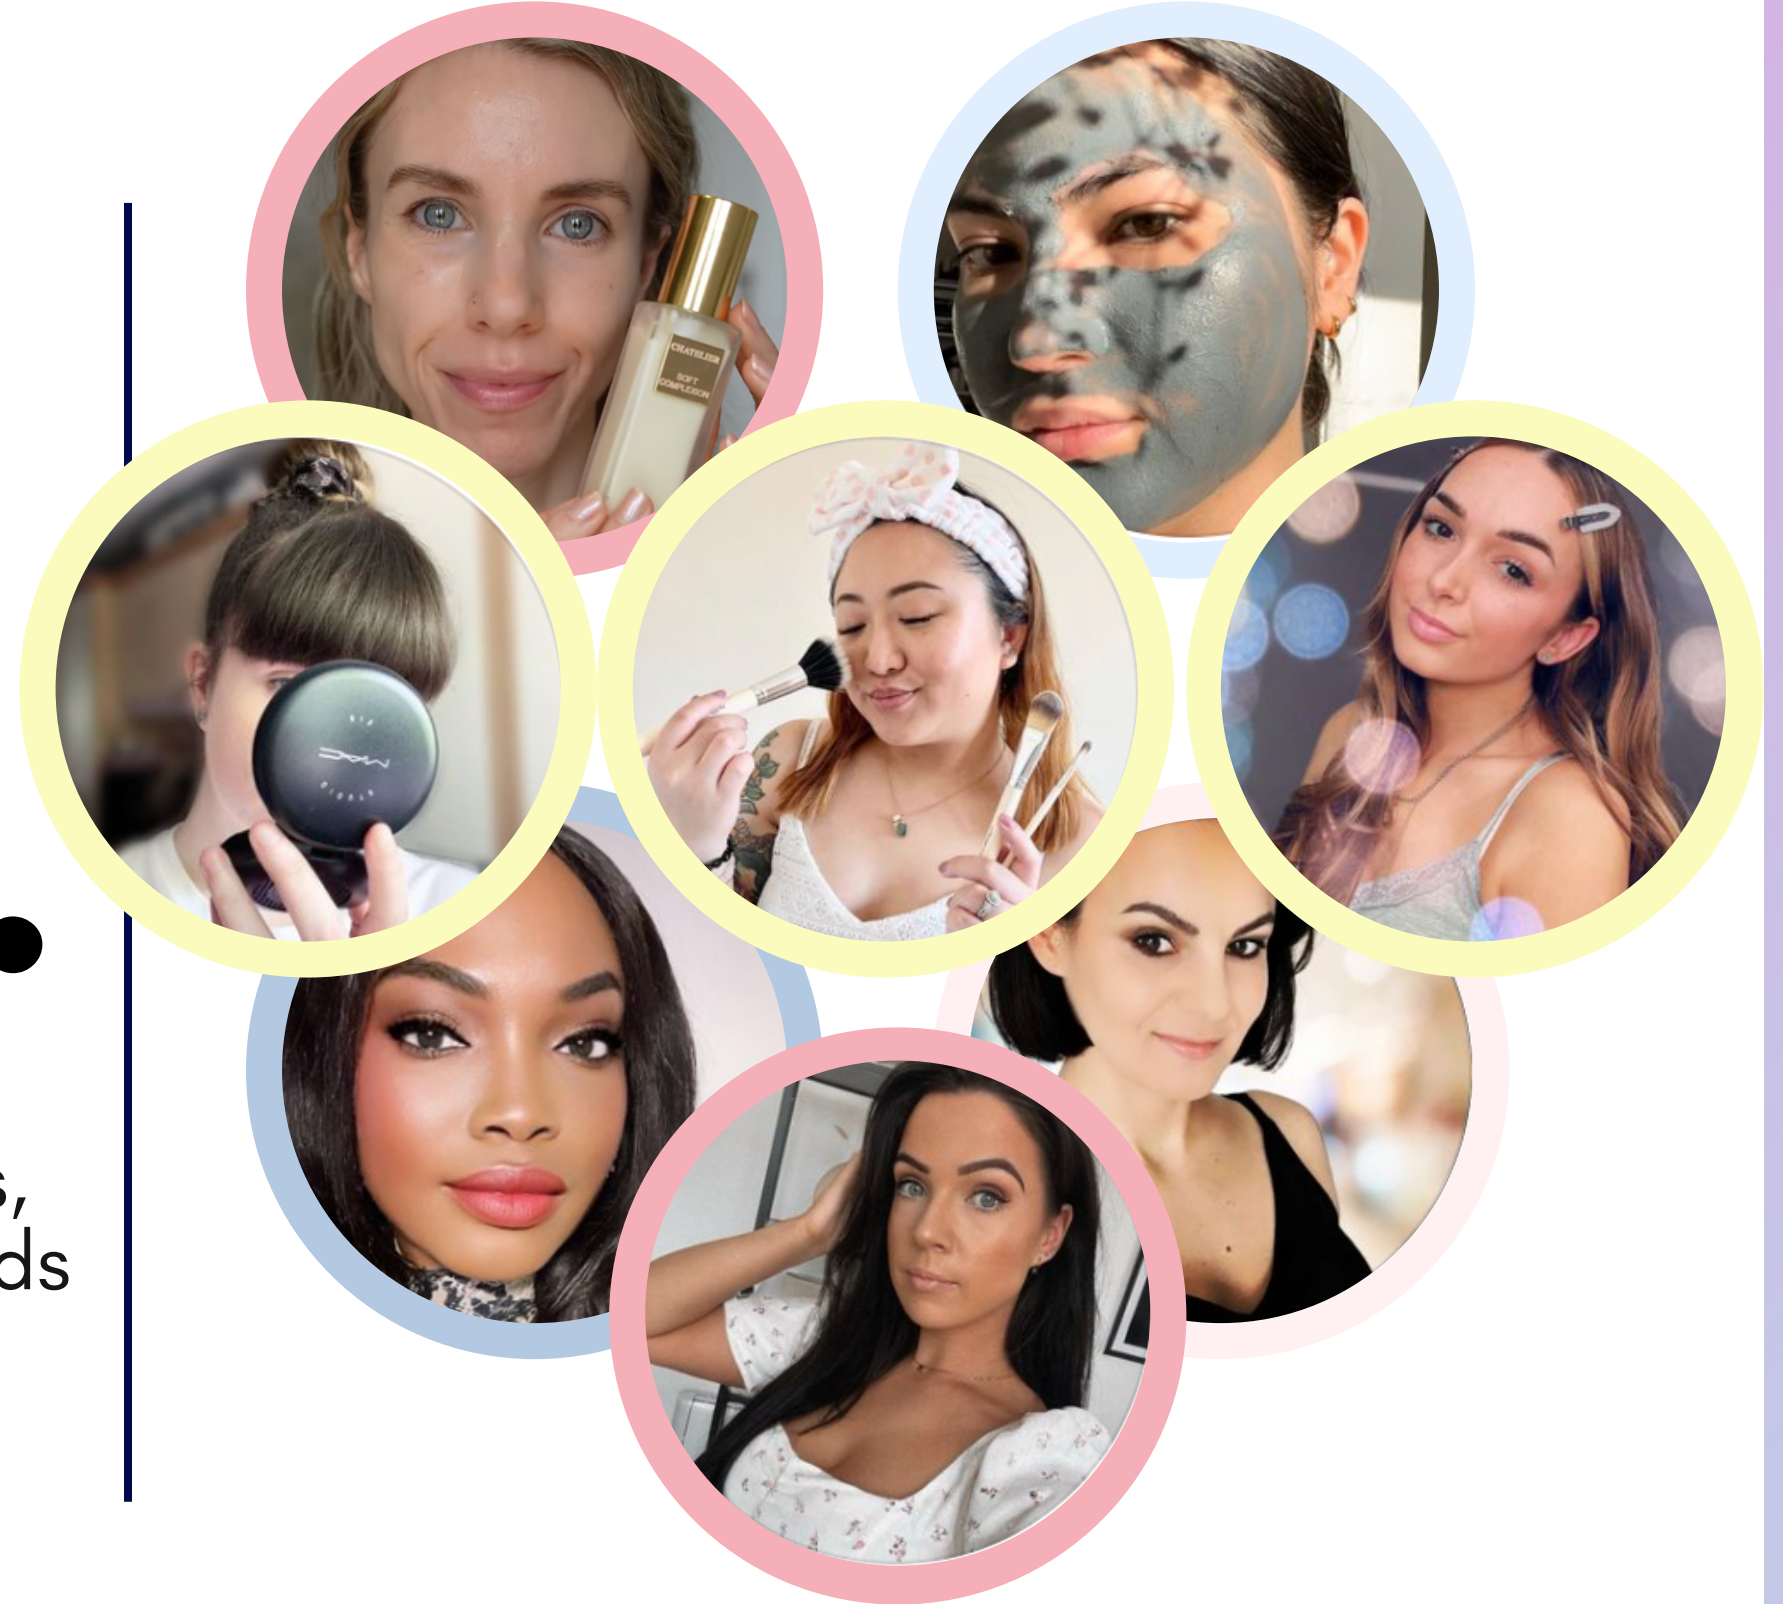

Why UGC content?

The creators.

A team of social-first content creators, carefully curated to elevate your brands content at a low cost.

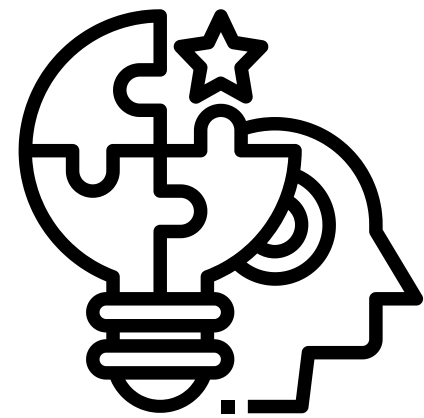

A database of over 100 creators.

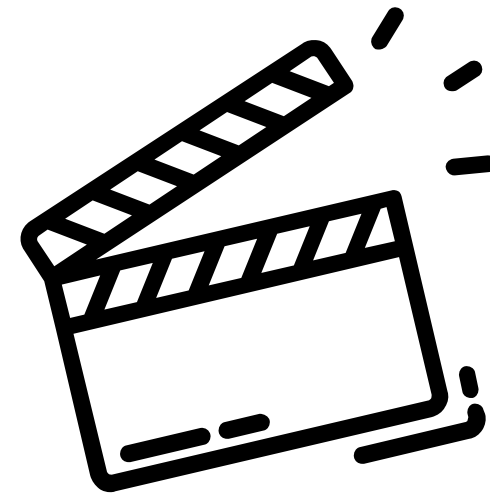

The process.

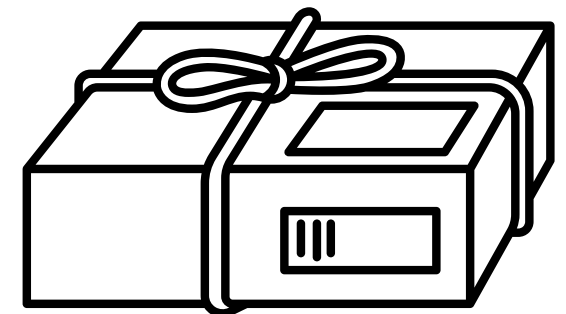

**It starts with
a brief**

**Next we
choose from our
talent pool**

**Followed by
creation and
feedback**

**Content
Delivery**

Thank you. ✨
